

REACH and CLP Compliance Letter

May 11, 2026

Dear Customer,

Tribotec AB hereby declares to have full compliance with Regulation (EC) no 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) as well as Regulation (EC) no 1272/2008 on the Classification, Labelling and Packaging of substances and mixtures (CLP) and their amendments and updates.

Regarding Substances of Very High Concern (SVHC) please be advised that based on the information available from our suppliers and in accordance to REACH, in case a product contains any SVHC at or above 0.1 % this is mentioned within section 3 of the Safety Data Sheet.

Do not hesitate to contact us if you have any questions.

Yours Sincerely,

Marina Yaruta

Environmental and Chemical Manager
